

DC 2023

Our recent lobbying trip to DC was a well orchestrated event, although our “ Meet & Greet” only produced 1 Representative(Pat Ryan NY 18) and a few Legislative aides.. ..Our annual meeting with both Senators at the Capitol is always a highlight, and this year didn’t disappoint ..LCCL meetings at various House settings were well organized and helped garner additional cosponsorships for H.R. 82..Legislation briefing by COS Kori Blalock Keller was informative , and Rap Session chaired by Executive Vice President Barner was well received..Great job, Everyone!
