

DC 2025

Our recent lobbying trip to DC was a well-orchestrated event. Our “ Meet & Greet “at Hamilton’s produced 3 Representatives (Dan Goldman CD10, Nick LaLota CD1, and Nicole Malliotakis CD11) and a few Legislative aides....Our annual meeting with both Senators at the Capitol is always a highlight, but unfortunately, Senator Gillibrand was detained .Leader Schumer filled the gap, and supports our additional legislation. He will cosponsor Senator Gillibrand’s S.463, the Protect Our Letter Carrier Act, and S.Res 147, the Senate’s anti-privatization resolution and agrees with the Federal Retirement Fairness Act, although there currently is no Senate companion bill....,LCCL meetings at various House settings were well received. Legislation briefing by COS Kori Blalock Keller, Madeline Alvis, Frank McCarthy, and Jose Cebellos was informative , and the Rap Session chaired by President Renfroe was well received.
